ABOUT RIO COLLECTION

SOBRE A RIO COLLECTION

The Rio Collection flooring selection personifies style and performance by blending the different colors, shades, grades and profile options. The oak obtained from sustainable forests is enhanced by several shade options to achieve the right color and texture for any interior project.

A seleção de pavimentos da Rio Collection personifica o estilo e o desempenho, combinando diferentes cores, tonalidades, classificações e opções de perfil. O carvalho obtido em florestas sustentáveis é realçado por várias opções de tonalidades para alcançar a cor e textura adequadas para qualquer projeto de interiores.
